Defendant(s)

=====  
Case called for PRELIMINARY HEARING ON REVOCATION OF  
SUPERVISED RELEASE. Defense counsel stated that the defendant was not going  
to contest the information contained in the motion filed by the Probation Officer.

After hearing defense counsel, Magistrate Arenas stated that since  
defendant had failed to show cause why his term of supervised release should not be  
revoked, he will enter his findings in a Report and Recommendation to the Judge  
stating that there was probable cause to believe that the defendant had violated his  
conditions of supervised release. The case is hereby referred to Judge Domínguez  
for a final revocation hearing and sentence.
